

Zenivex®

2020
REBATE

SEE EASY SAVINGS WITH THE ZENIVEX® REBATE PROGRAM

Protect your communities and save. The company that puts customers first again offers Zenivex savings in 2020 with a new **online submission tool**. Now, when you purchase designated amounts of Zenivex® products during the program period, not only can you earn up to 10% cash back, but when you visit CentralMosquitoControl.com/rebates/Zenivex, your rebate request will be processed easier than before.

**Program Period:
6/1/20 - 8/31/20**

During program period, all single orders of Zenivex® E20 and Aqua Zenivex™ E20 that are 90 gallons or more qualify for 10% purchase rebate.

Zenivex® E20 and Aqua Zenivex™ E20

During program period, all single orders of Zenivex® E4 RTU that are 120 gallons or more qualify for a 7.5% purchase rebate.

Zenivex® E4 RTU

Zenivex® purchases under this program also qualify for our 2020 All Clear Year-End Rebate program. Plus, rebates can be provided with cash back or product.

REBATES ON THREE ENVIRONMENTALLY SOUND FORMULATIONS

Features and Benefits:

- Quick, permanent knockdown of adult mosquitoes
- EPA reduced-risk classification
- Approved for use over agricultural crops
- Favorable environmental profile
- Non-ester pyrethroid
- Low toxicity

AQUA ZENIVEX™ E20

Aqua Zenivex™ E20 offers the efficacy and toxicity profile of Zenivex® products in a water-dilutable formulation for the effective control of adult mosquitoes, non-biting midge flies and nuisance flies. This product is classified as reduced risk by the EPA.

ZENIVEX® E4 RTU

Designed to give mosquito control professionals operational options, this product can be applied with a wide variety of ULV foggers for hand, ground or aerial applications. Containing 4% of the active ingredient etofenprox, Zenivex® E4 RTU is a ready-to-use oil-based formulation.

ZENIVEX® E20

Like other Zenivex® products, Zenivex® E20 is an oil-based formulation that presents a very low toxicity profile to birds and mammals. Containing 20% of the active ingredient etofenprox, this ready-to-use formula can be used alone or diluted with oil.
