Duplex-G® Larvicide

- Dual biorational and biological control
- Built-in resistance management
- Active Booster Release Technology
- Extended residual: 28 days of control

FourStar® Larvicides

- Extended residual microbial formulations
- Bsph/Bti biological environmental profile
- High-bulk density, optimal canopy penetration
- 45-, 90- and 180-day residual briquets
- Dual-action flash and controlled release technology

Strike® Products

- Targets midges and filter flies at the pupal stage
- Directly applicable to wastewater flow
- Offers extended control, minimizing reapplications
- Versatile for different environments

OVER 50 YEARS OF SOLUTIONS

Central Life Sciences has developed solutions to control mosquitoes in various habitats that professionals have encountered since the 1960s. That legacy of innovation has continuously evolved with the introduction of multiple formulations that use extended release technology to allow mosquito control professionals to do more with less, saving both time and money. The All Clear Evolution Rebate is part of this ongoing innovative effort to protect communities and budgets with cost-effective extended residual products.

Always read and follow label directions. Altosid, Strike and Duplex-G are registered trademarks of Wellmark International. Fourstar is a registered trademark of B2E Microbials LLC. DropVision and PrecisionVision are registered trademarks of Leading Edge Associates Inc. ©2026 Wellmark International.

PROTECT COMMUNITIES AND BUDGETS

BE PART OF THE EVOLUTION

Protect your community while also protecting your budget with savings on Central Life Sciences products! When you purchase Altosid®, FourStar®, Duplex-G®, and Strike® products from Central Life Sciences, you can earn up to 7% cash back for controlling mosquitoes or up to 8% in free Altosid® product with the All Clear Evolution Rebate.

NEW THIS YEAR! Receive an additional 1% cash value rebate when your entire rebate amount is applied toward the purchase of a PrecisionVision® 100X drone or drone hardware, DropVision®, DropVision® Ag, or DropVision® Fluorescence.* Our combination of product quality and application expertise will help you achieve the most effective mosquito control solutions.

The 2026 Rebate is valid for qualifying purchases totaling at least \$20,000 made between January 1, 2026, and December 15, 2026.

PROTECT YOUR BUDGET

To receive your rebate, just fill out the attached form and submit it with all relevant invoice copies for purchases made from January 1, 2026 to December 15, 2026. The deadline for submission is January 31, 2027. One rebate submission per customer. The rebate program is available only in the U.S. for municipal, county and state agencies and U.S. commercial organizations that purchase Altosid®, FourStar®, Duplex-G®, or Strike® products from an approved U.S. Central Life Sciences agent/distributor.
