- Active Booster Release Technology
- Extended residual: 28 days of control

Zenivex® Adulticides

- EPA reduced-risk classification
- Low toxicity profile
- Quick, permanent knockdown
- Approved for use over cropland

FOR MORE
THAN 50 YEARS,

Central Life Sciences has developed solutions to control mosquitoes in a variety of habitats that professionals encounter. That legacy of innovation has grown by introducing multiple formulations with extended release technology that allow professionals to do more with less and don't require increased manpower. The All Clear Rebate is part of the effort to protect communities and budgets with cost-effective extended residual products.

BE VECTORIOUS

Manage mosquito populations and your mosquito abatement budget at the same time. When you purchase Altosid®, FourStar®, Zenivex® and Duplex™-G products from Central Life Sciences, you can get cash back with the 2023 All Clear Rebate.

Always read and follow label directions. Altosid, Zenivex and Duplex are trademarks of Wellmark International. Fourstar is a registered trademark of B2E Microbials LLC. ©2023 Wellmark International.
